

January 20th 2010 meeting recap

Police Chief Alexander Scott was first on the agenda to discuss the new rules and regulations that will have to be adhered to for our next parade. It is very important that floats are built with safety issues in mind. He is very concerned about accidents and wants to help in any way he can to make our parade a safe and enjoyable event.

The rules will be posted on the Stevens Alumni website and also printed in the newsletter. Anyone who would like more detailed information please contact Bob Stringer, Alumni president at 603-543-3146 or his email at rstringer@stringerfh.com.

We had some more new faces at the meeting which is encouraging. We need the younger classes to take an interest and get involved to keep this organization active.

It was noted that David Hale is doing a great job with the website and deserves a tremendous "Thank You" for all his hard work. He will also be helping with the newsletter to get it ready to mail to the 7500 plus membership that we have.

The Contigiani's menu was presented and will be voted on at the next meeting. The comment was made that we should check on a buffet menu. Contigiani's will be contacted for this.

The golf classic tournament event was discussed but without someone to chair it, it has been put on hold. Tom Osipowich '64 chaired this event last year, but due to conflicting class events and not enough entries, it had to be canceled.

Rev Shinhyung Ahn was asked to do the invocation and benediction at the banquet and he has accepted. He has been in Claremont for the last two years and he is looking forward to attending our reunion banquet.

The legion is going to be contacted for the dance following the banquet to see if June 12th is open. Entertainment has not been determined at this time

It was voted for the Alumni Association to make a donation in Bob Woodman's name to the class of 1958 Scholarship Fund. Bob passed away unexpectedly on Jan 16th, 2010.

DUE TO OTHER OBLIGATIONS THE NEXT MEETING WILL BE WED THE 24TH OF FEBRUARY AT 6:00 AT CLAREMONT SAVINGS BANK. EVERYONE IS WELCOME.

Sonya Lawson, Sec
